Charges

The provision of a bus service is very expensive so to help with this **the school will request a daily fare of £2.00.** On average this will cost £380 per child for a full academic year. This provides a saving of £160 per child for any parents accessing the current bus pass provision from the Local Authority.

Payment

We request that payment is made termly or half termly in advance and payments must be made using our online payment system. If your child is new to the school in Y7 you should receive access to the online payment system on or before w/c 19th July 2021 along with a link code from us that allows you to activate your account. As communicated previously the cost will be £2.00 per day.

When the first payment is received a bus pass will be issued to the student.

Unfortunately if regular payments are not maintained access to the service will be withdrawn.

Schedule for payments

Termly

Payment date	Amount due
On/before 23rd Aug 2021	£144
On/before 20th Dec 2021	£136
On/before 4th Apr 2022	£100

Half termly

Payment date	Amount due
On/before 23rd Aug 2021	£76.00
On/before 25 th Oct 2021	£68.00
On/before 20th Dec 2021	£58.00
On/before 14 th Feb 2022	£60.00
On/before 4th Apr 2022	£48.00
On/before 23rd May 2022	£70.00

Bus passes

The bus pass issued by the school will include the students photograph, this must be shown to the driver when boarding the bus to prove eligibility to travel.

For new students a temporary bus pass will be issued prior to September 2021 until one can be provided that will include the photograph taken as part of the induction process.

When the first payment is received a bus pass will be issued to the students.

Ongoing provision

The current provision will run from September 2021 until July 2022. It is our intention that this service will continue after this date but we must review the provision on an annual basis in line with our budget review. Any changes will be communicated well in advance of the end of term.
