

Are you considering a challenging and rewarding career in law?

The Legal Pathway, in collaboration with leading regional law firm Wilkin Chapman Rollits, is designed to give you a cutting-edge, real-world insight into the legal profession.

We've partnered with Vic Quinn, a Disputes and Regulatory Partner at Wilkin Chapman Rollits, to ensure the pathway is always current and relevant to the trends and changes in the profession.

Vic is one of the top legal LinkedIn influencers who will help you set up and grow your professional LinkedIn account, an essential tool for your future career! Vic has worked directly with industry specialists dedicated to helping and guiding young people like you into a career in law.

GUEST SPEAKERS

Students have benefited from sessions with a diverse range of professionals and organisations, including: Wilkin Chapman Rollits, KCOM (Legal Team), Crown Prosecution Service (CPS) and Hull University Law School.

KEY PATHWAY SESSIONS

Our structured programme offers a mix of induction, insight, and practical workshops:

- **Welcome & Induction**
Meet Mrs Ashton and Vic Quinn to kick off your legal journey.
- **Routes into Law**
Hear directly from trainees and paralegals who have taken different paths—both via university and through apprenticeships.
- **Hull University Insight**
Get the lowdown from a Law School Senior Lecturer on what to expect from a university law degree.
- **AI in Law**
Explore the pros and cons of Artificial Intelligence and how it's being used in the legal sector.
- **Careers in Law**
Hear from General Counsel within large corporate businesses, Solicitors, Barristers, and Judges.
- **CPS Workshop**
A hands-on Crown Prosecution Service session focused on looking at evidence and creating a case.
- **Career Mentoring**
Receive one-to-one advice and mentoring for work experience, university applications, and developing a professional social media presence.
- **Trips**
Exclusive visits to the Courts and the offices of Wilkin Chapman Rollits!
