

Our Pre-Medical Programme ensures our students are well advised about all aspects of their future career and receive all of the guidance and support needed to make a competitive application.

## PROGRAMME CONTENT

### YEAR 12

- **Career Guidance Session**  
Lecture and discussion on different medical schools in the country including how they work and what the admission requirements are
- **Medical Careers Day**  
A series of lectures and guest speakers from different medical backgrounds discussing their professions (includes General Practitioner; Veterinary scientist, Dentist and Physiotherapist)
- **Visit to Hull-York Medical School**  
With the opportunity to meet staff and students, view the facilities and speak to current students about life as a Hull York Medic
- **Three-day, First Aid qualification**  
The First aid at work training course provides a comprehensive set of practical skills needed by first aiders. It meets the standards required to comply with Health and Safety regulations
- **“My path to medicine...”**  
Evening discussion with a former student about how best to use your time at Sixth Form to successfully apply for a medical career
- **“Trauma Experience...”**  
Looking at how the body responds to trauma inducing a chance to have a go at suturing and treating wounds

## **YEAR 13**

- **Bespoke, 1-2-1 Personal Statement Workshops**
- **Mock Application Interview Evening**
